Weight: 4.20oz
Dimensions: 6.00in x 0.10in x 9.00in

Price: \$12.00

Ex Tax: \$12.00

Short Description

The experience of the encounter with Mufuki joins in the dynamics of a new African imagination which consists in particular of the greatness of African cultures and spiritualities. It's time to organize these experiences as the basis of our political development, our economic development, our cultural development and of our spiritual development. With this in mind it is important to measure the challenge of our work.
